

PCRRG Partners with the Coffee Shop Innovation Expo

We are delighted to announce our official partnership with the Coffee Shop Innovation Expo, UK's leading event for coffee shop business owners.

Running alongside 6 other leading events for the hospitality sector, including [Restaurant & Takeaway Innovation Expo](#) and [Street Food Live](#), the show is set to attract over 3,000 of the industry's visionaries, who are shaping the restaurant and takeaway scene of the future – and it's [FREE to register for your ticket!](#)

The show has been instigating significant change in the coffee shop industry ever since its debut, and in search for an even greater impact, we have been invited to partner with them in our mission to bring greater sustainability to the coffee industry.

Taking place from the 25th - 26th September at ExCeL, London, the Coffee Shop Innovation Expo offers visitors the chance to engage with over 250 innovative suppliers, attend 150 expert led seminars, take part in insightful panel sessions, take advantage of unparalleled networking opportunities, get in front of industry pioneers, and much more!

PCRRG Chairman Neil Whittall is speaking on 25th September on the topic: 'Coffee Cup Recycling: Fact and Fiction'.

The Coffee Shop Innovation Expo is absolutely FREE to attend and is a must for hospitality professionals looking for their next big investment, and the professionals who can offer the innovative solutions needed!

To book your FREE ticket, [register here](#), and check out the Coffee Shop Innovation Expo website now to find out more about their commitment to giving back!
