Tackling the big-issues in the coffee industry, like long-term sustainability, this hospitality event is a MUST-attend for anyone who is serious about coffee.

So, what are our top five reasons to attend this year?

1. Network with over 3,000 coffee professionals

Over the 2 days literally thousands of coffee professionals will descend on the ExCeL, all ready to debate the industry's biggest challenges, and discussing the key solutions to making a more sustainable coffee industry for 2019.

2. Hear from industry-leading speakers

This September sees the greatest and most influential speakers in the industry being brought together. Hear from the **Senior Innovation Manager at Starbucks, Head of Commercial Development at Harris + Hoole, the Executive Director at the International Coffee Organization, UK MD of JUST EAT, Operations Director at PizzaExpress, Retail Operations Director at Pieminister** and many more!

3. Meet the suppliers!

With over 300 incredible exhibitors, the Coffee Shop Innovation Expo will showcase everything from sustainability and green packaging solutions, to what the coffee industry can do to give back to the communities which grow our coffee.

4. Discover industry-changing product launches

The Coffee Shop Innovation Expo will see the exclusive launch of several pioneering products set to alter the coffee shop industry. Don't be the last to know – get your tickets now and make sure you are ahead of the industry!

5. Take advantage of show offers

Don't miss out on exclusive show offers that will only be found during the two days of the show. Check out the Coffee Shop Innovation social platforms to find the best deals for you – just search for #Hungry4growth!
